(L to R) Bob Crothers of DCL, Eric Galbraith - CEO of BIBA, and Phil Cunningham of Carraig.

Carraig's helpers sporting the Carraig silks.

Congratulations to Richard Welsh of Premium First on being the lucky winner of the Carraig / Direct Commercial Ltd prize draw (see above left). Richards's prize is a private box for the day at Ascot Racecourse!

Direct Commercial Ltd are the sole UK service agent for Carraig Insurance Company Ltd, a specialist in UK motor fleet insurance, particularly in the Courier / Haulage markets. They have underwritten in excess of £50 million premium in the UK and Ireland, and have now entered their sixth successful year of trading.

Don't Forget - We also have facilities with insurers (including Lloyd's), and can place EL/PL/PR, Self Drive Hire, Public/Private Hire and G.I.T. on your behalf.

Carraig / DCL would like to extend their thanks to all those who visited them at the BIBA conference, which I am sure you will agree was a huge success.

Should you have any queries or are interested in any of our services then please call Adam Taylor on 01245 459 709, you may also wish to check our web-sites, including www.carraiginsurance.com.

We look forward to hearing from you!
